

Dear Parent/Carer,

RE: YOUR CHILD'S INVITATION TO JOIN MAKELUNCH: ST HELENS

MakeLunch: St Helens is part of a national network of MakeLunch projects that run holiday clubs with crafts, games and a hot meal.

As an eligible family you are invited to join us at a satellite lunch club during the summer school holiday in partnership with The Salvation Army. The club will take place Wednesday 7th, 14th, 21st and 28th August from **12noon to 2pm at The Salvation Army, Tickle Avenue, WA9 1RS.**

Any siblings and parents are more than welcome to join us too, but please note that all children (under 18 years) will need to be registered on arrival at the club, and all children under 16 years must be accompanied by their parent/carer.

If your family would like to attend MakeLunch St Helens, it would be helpful if you could let us know you're coming in advance by completing a registration form available from your school or the contact details below. We are limited to offering only 30 child spaces a session, and priority will be given to those who have pre-registered.

We look forward to seeing you soon!
