

Own a dog? We need your help

Seven postmen and women are bitten every day

Here are **FIVE WAYS** you can help keep our Royal Mail family **SAFE**:

1 **MAKE SURE** children don't open the door to the postman.

2 **TRAIN YOUR DOG** to move to another room before the postman or woman arrives.

3 **OCCUPY YOUR DOG** with food or a toy while mail is being delivered.

4 **INVEST** in a letter cage or an external letterbox.

5 **ENSURE YOUR DOG** has a collar and tag, and an up-to-date microchip.
